Terminal and gate info

Check in the app

You'll find up-to-date terminal info in the Kiwi.com app — it'll appear in your itinerary details before your trip. We'll add it there when it's available. Please recheck it before you go to the airport as it can change sometimes. Download the app at go.kiwi.com/terminal.

Check visa & health requirements

You booked an itinerary with a self-transfer travel hack, so on top of the documents for your destination, you also need to have all the necessary documents to enter the country of your self-transfer layover — even if you don't actually plan to visit.

- Self-transfer country: India (Bengaluru)
- Your destination: United Arab Emirates (Abu Dhabi)

Ask your embassy or check this guide to make sure you have everything you need.

   All our numbers have standard call rates and will provide you with English support outside the language working hours.

Additional information

Self-transfer

Your trip consists of multiple separate flights that form a unique itinerary cheaper than a single airline reservation. Self-transfer is what glues these flights together, but as they're not officially connected by the airlines, the layover — including a visa check or passport control at immigration, baggage recheck, and security — is on you. Learn more at go.kiwi.com/self-transfer.

Fare conditions Saver Ticket

Rebooking is not allowed. If you want to change your trip, you will have to make a new booking and pay full price. Learn more at go.kiwi.com/fare-types.

Meals

Most low-cost carriers don't include meals with the reservation. Snacks and refreshments can usually be purchased en route. Contact us by phone to order a meal in advance. Some food and drinks might be allowed on board, but liquids are limited to 100ml and must be kept in a zip-lock plastic bag.

Connection Protection included

If a delay, cancellation, or rescheduling affects one of your connections, please check your email or our app for updates and solutions. If we haven't identified the disruption, contact us immediately for assistance. See the last page of this e-ticket for contact details, or visit go.kiwi.com/connection-protection to learn more.
